

'Chef's Choice'

Just like our regular à la carte menu, the "Chef's Choice"-menu focuses on local produce in season and is created on a daily basis by our Head Chef.

The 'Chef's Choice' menu is served "Family Style" on large plates for you and your guests to share.

We offer two versions of the "Chef's Choice" menu: 'Chef's choice' based on our daily à la carte menu and 'Chef's Choice - All In', including caviar and a premium fish or cut of beef.

In order to ensure that you and your guests receive the full and proper Paté Paté experience, we suggest you preorder one of our wine menus. Your waiter will then choose wines that complement the food, so you don't have to.

Please note, that if you choose one of our wine menus, we will continue pouring wine for the duration of your dinner.
